

Activity – LOCAL ISSUES & SOLUTIONS

Session 2 – IMPRINT+ Training course

IMPRIINT+

Co-funded by the
Erasmus+ Programme
of the European Union

2015-1-PT01-KA201-012976

Activity: LOCAL ISSUES AND SOLUTIONS.

Learning goals:

- Identify individual/group environmental local issues and solutions.
- Promote group discussion and reflection.

Background information:

This activity aims to stimulate participants own experiences, values and perceptions regarding environmental issues.

Prior Knowledge Needed (*For the facilitator*): not required.

Duration: 40 minutes

Room organization: chairs in a circle

Support material: A5 paper, pen and activity printable card.

Instructions:

1. Ask participants think about 1 local environmental issue that negatively affects their local community. On a A5 paper, write a title and location, for example (illegal waste - Porto, Portugal) and below they should list of all the things that is in their reach to help to solve the problem
2. Ask some participants to explain their local issues and solutions.
3. Place the papers on the LOCAL ISSUES wall grouped by country/region.
4. Inform the participants that they are free to add things to the list during the training.
5. End
